To members of the press

I am reporting a large scale criminal harassment under color of law scheme that is illegal in motive, in method, and is in furtherance of concealing the realities of the Kennedy assassination to which I am closely connected, perhaps more so than nearly any other person, and is that which puts my life at risk from an illegal police operations seeking to tie me peeping and child abuse and after that to talk it up and recruit lynch mobs of smear campaign incite attacks on me; seemingly, NOT organized by FBI activities when in fact it is COINTELPRO being used illegally against a blogger and writer, myself.

Many (like myself now) who have been witnesses to or have had knowledge about the COINTELPRO JM/WAVE CIA operation that assassinated John F. Kennedy (who was at my birth in Los Angeles November 18-19, 1961) have (like myself) have been the targets of covert activities, sabotage, even attempts on life. These include one of the most closely connected JFK assassination witness to events Robert F. Kennedy who in Los Angeles was learning of the Manchurian Candidate story-line that is in part the story of my CIA connected father and mother and those events in Los Angeles.

I compare myself as very analogous to St Johh Hunt, son of E. Howard Hunt assassin of JFK, or Karyn Holt-Harcourt the daughter of Chauncey Holt, the CIA affiliate who worked with Murder Inc formed in prohibition (Bugsey Seigal, Myers Lansky) who become contract killers and smugglers in the 1920 abd by 1950's were perfect contractors to the CIA flying with their pilots into and out of Cuba for Casinos arms smuggling and assassination after Castro when the casinos shut down, and in Latin America piloting smuggled weapons in, booze out, officials all around, and conducting hits and working with rebel groups, counter-fitting, forgeries, etc.,

My father and mother (similarly to Karyn Holt-Harcourt and E. Howard Hunt) were part of this history. Flying RECON in the P-51 and F-86 (precursors to the U-2) from Atsugi Airbase where Lee Harvey Oswald worked, and our family (Donegan's - I am the only surviving one) were close friends of the Prouty's in Boston Massachusetts Col Fletcher Prouty who worked with the US Air Force and CIA on these activities under Richard Bissle Jr. for Prouty and others like General Eward Lansdale, and others, the ones fired by John F. Kennedy leading the Hunt, Holt, and others under their bosses to retaliated against JFK over Bay Pigs and other disputes. Very detailed history of my family and the Kennedy's in Irish Roman Catholic Boston miles from each other exists and can be developed further. Despite death threats, break-ins to home office, theft of my records during break-ins, and other CIA FBI activity and legal harassment I continue to write and distribute and further develop the thousands of a pages of public records, family oral history, photographic records, and other branches of this information.

The assassination or harassment of of witness in any matter of criminal justice is illegal under the statues of Obstruction of Justice. If such harassment of witnesses furthers a cover-up of events such as the assassination of the Kennedy's (allowing George H.W. Bush of the CIA and George W. Bush and other officials to consolidate illegal power) than the charge may be treason and subversion and I assert the smear campaign and open violent physical attacks on me are in violation of these laws.

The subsections of US Code Title 18 Chapter 73 can easily be found online. Robert F. Kennedy's right hand anti mafia ally Ted Gunderson asserted as I and others have highly illegal activities by the Deep State.

Cross Paths of Donegan hidden identities, OSS and CIA, and Kennedy's and Kennedy Assassination

James Donegan and Rose "Honey" Fitzpatrick arrive in Boston same time from Ireland to Boston Roman Catholics

- **Boston Origins** Great Potato Famine and 1800's and then 1920's Roman Catholic Rose Fitzpatrick meets Roman Catholic Boston Politician of South Boston Joseph Kennedy Sr. and future president John (Rose) Fitzpatrick (Joseph Sr.) Kennedy is one of their children. Joseph Kennedy has close tied to England going into WWII. James Donegan flies in WWII P-51 into and after being part of nuclear test blasts (with is brother Happy Donegan) flying with the bomb group of P-51s and B-29s that attacked Hiroshima and Nagasaki. Was part of CIA and US DOD atomic bomb test explosion and exposed to radiation and follow testing. Glorian Donegan had secret OSS CIA Vatican history a refugee of Salzburg Austria Maria Vontrapp impregnated by a philandering Windsor kept secret for many reasons, Maria Kutschera gave birth in North Carolina.

- **In WWII over Europe and England** McNamara and others help England by finding and destroying industrial war machine infrastructure in Europe. Prouty and Donegan fly in similar operations at the same place and will be friends in Boston (where both the Roman Catholic families were from) into mid 1970;s. I will meet and go skating with Prouty;s dining at their home at times, etc., at family get together though I was very young at the time.

- **Following 1946 into 1953**As Congressman Richard Nixon Souther Californai defense industry and Rockefeller Republic forms Marshall plan post WWII Europe Air Force, CIA, DOD, FBI, others try to gain control of world map using Espionage.

- **1953 Atsugi and Operation Mongoose**Eisenhower Nixon 1953-1961 under VP Nixon and Security Council Prouty leading the way world regime change. Prouty and Donegan at Atsugi with Bissle Jr, plans for CIA world projects, recon, Korean War. John F Kennedy and Jackie wed, James and Glorian Gainey wed, parents of Ed Donegan. Le Harvey Oswald at same base showing later how RECON and RADAR worked to film makers and propagandists

- **1961** Ed Donegan born in Los Angeles County were Edward's Air Force Base and SSFL Labs are. Jim DOnegan part of those USAF activities and regime change. Ed thinks Barrack Obama Jr. planned for Indonesia was part of the Republican plot and is a Birther that Obama Jr was born in Los Angeles.

- **1963** The regime change system had grown out of control, JFK to reveal its use of Mob (Murder Inc in Carribean, elsewhere) and resents Mafia as East-India Tea Company. Chauncey Holt tells all later. JFK assassinated. The plans continue to place CIA projects like Obama Jr. in power around the world controlling the world, Prouty thins so too.

- 1968 **Robert F Kennedy is in Los Angles and assassinated where the Manchurian Candidate story took place** Though from a Boston family I am born in Los Angeles where Air Force officer James Donegan was flying from. This is where JFK had visited at my birth regarding CIA plans and RFK visited and found out about from Don Nixon (former VP Richard Nixon's brother) and John McCOne CIA and Atomic Energy Commission. Robert Kennedy was staying with John Frankenheimer who produced the Manchurian Candidate 1962 that told the Donegan story.

- **2018** Jen Moore is assassinated talking about my family Glorian Donegan our history is tied to Allen Dulles, regime change, OSS and CIA and the assasintion of JFK. Though she is dead now and had death threats as a constant, Ed Donegan picks up her story on this my family and continue to write under names Second Line of Troops (after Jen Moore is slain) and continues the story but also experiences subversion attempts.

The scheme of GangStalk is a psychology one. It is made to appear by forged paperwork, criminal impersonations, and actors under-cover that I am a peeper, child abuser, etc., and this smear campaign continues to grow over time as my reputation declines. Normally a lie might fade over time (a lie about me) but continuous efforts of COINTELPRO just keep the smear going resuscitating and compounding it and using to incite thugs to attack a "known pedophile" or apartments to deny rentals, jobs to fire or not hire, associations to disassociate based on behind the scenes rumers and sham investigations of GangStalk by undercover police in the abuse scheme.

I am asserting as a witness the JFK assassination should be reopened after deathbed confessions and better in depth data analysis (like the Moorman photo) and quote The Men Who Killed Kennedy (a History Channel production) on scree interview that if it can happen to Kennedy that the government covers up his assassination what else will the cover up and who else will it happen to next? I assert it happens to witnesses and I am one. This is story in the information I am transmitting.

I am sending some of this out by text but when I have PDF or other forms of media available allowing photos and screen captures I show Jen Moore showing my house talking about the same CIA OSS background of my family, and its ties to the JFK assassination, Allen Dulles, and others, and I can confirm the written records she had independently and I

have know of. She was found dead in a motel after she was threatened with death if she revealed that data as she planned to do as stated she was going to do. I have received those same threats and they are credible.

The police can approach any third party (such as potential employer of a person of interest) and say that person of interest is currently being investigated. The reason the person of interest is being followed by the police may be that the person of interest has derogatory information on a politician, etc., or unpopular politics, or something of value such as valuable intellectual property or other matters corruption in government may seek. These are often called "Non investigatory interest high value targets of FBI surveillance."

Preemption of witnesses by abusive COINTELRPO activities, preemption by targeting a victim- or witness in the criminal justice sphere of events by using carefully staged purported links to illegal activities as part of smear campaign, a sham investigation opened and talked up behind my back,against me, illegal police operation and several resultant wrongful deaths that of Jen Moore a former Tracy California police officer and sex crimes investigator who reported on the highly placed shot-caller of the illegal police operation. before her wrongful death though her records do survive survive and name me as a victim and how herself one too.

"First fake Ed made wild accusations. Now Ed's old work email used for FB profile of teen."

That is a tweet by Tom Dunham, and old friend of mine from San Francisco California I have a screenshot of that tweet sent November 20 2015. Since then and before an impersonator of me has been used in a very illegal plot to forge confessions of misconducted alleged to me, and even appearing to have been me, with an illegal COINTELRPO FBI program that has included break-ins, child porn plants, and other illegal activities that are standard opps for the FBI in fights against radicals, espionage operations, and other activities.

Here are some of the tactics used by CointelPro, most of which I Edward Paul Donegan have experienced. This occurs in broad daylight, inside the prison system, inside the ABA, inside psychiatric hospitals, and in libraries, even intrusively into my home or motels or commerce like USPS or UPS or others staging or faking deliveries, switching them out, forging addresses, mixing in drugs and porn, etc., These covert operations I and those I know have been subjected to will be described in my later false arrests and detentions.

"According to Brian Glick, in War at Home, COINTELPRO used a broad array of methods [under-cover across locations of a police harassment victim, including:"

1. Infiltration: Agents and informers did not merely spy on political activists. Their main purpose was to discredit and disrupt. Their very presence served to undermine trust and scare off potential supporters. The FBI and police exploited this fear to smear genuine activists as agents.

2. Psychological Warfare From the Outside: The FBI and police used myriad other "dirty tricks" to undermine progressive movements. They planted false media stories and published bogus leaflets and other publications in the name of targeted groups. *They forged correspondence, sent anonymous letters, and made anonymous telephone calls. They spread misinformation about meetings and events, set up pseudo movement groups run by government agents*, and MANIPULATED OR STRONG-ARMED PARENTS, **EMPLOYERS, LANDLORDS, SCHOOL OFFICIALS** AND OTHERS TO CAUSE TROUBLE FOR ACTIVISTS.

3. Harassment Through the Legal System: **The FBI and police abused the legal system to harass dissidents and make them appear to be criminals**. Officers of the law *gave perjured testimony and presented fabricated evidence as a pretext for false arrests and wrongful imprisonment*. They discriminatorily enforced tax laws and other government regulations and used conspicuous surveillance, ‘investigative’ interviews, and grand jury subpoenas **in an effort to intimidate activists and silence their supporters [and silence or discredit critics of FBI and CIA officials]**.

4. Extralegal Force and Violence: **The FBI and police threatened, instigated, and themselves conducted break-ins, vandalism, assaults, and beatings. The object was to frighten dissidents and disrupt their movements**.

   [*All of which Jen Moore and Edwward Donegan have suffered and reported, now Jen Moore deceased.]*

   In the case of radical Black and Puerto Rican activists (and later Native Americans), these attacks-including political assassinations-were so extensive, vicious, and calculated that they can accurately be termed a form of official ‘terrorism.’”.The FBI also conducted "**black bag jobs**" [break-ins or illeal access to home or office to plant or steal of vandalize or search], warrantless surreptitious entries, against the targeted groups and their members. Source: COINTELPRO - Wikipedia, the free encyclopedia

> From its inception, the FBI has operated on the doctrine that the "preliminary stages of organization and preparation" must be frustrated, well before there is any clear and present danger of "revolutionary radicalism."
>
> At its most extreme dimension, political dissidents have been eliminated outright or sent to prison for the rest of their lives. There are quite a number of individuals who have been handled in that fashion. Many more, however, were "neutralized" by intimidation, harassment, discrediting, snitch jacketing, a whole assortment of authoritarian and illegal tactics.
>
> ["Snitch jacketing is a Lockstep of tracker snitches following, harassing, lying about, being a nearby to the victim system of police harassment or police abuse through the use of snitches as proxies.]

I have subjected to COINTELPRO for decades, that tweet from Tom Dunham 8 years ago and hundreds of openly FBI acts since then and fifteen years before it now leave the question "why?"

The first answer that comes to mind now is that I am a writer, my home office has been broken into for theft and evidence plants and I am writing my life story and have been for decades and I am tied to the Kennedy assassinations and the CIA and FBI power-brokers who gained power after that Roman Catholic family fell to assassination.

The FBI before and since the assassinations were an espionage agency who were visibly then involved in the assassination, that much ever more being confirmed and attacks on me from my Dorchester Massachusetts MKULTRA family help the FBI and CIA continue to coverup their roles.

Other tweets from him and other evidence also forensically preserved by an IT worker like myself qualifed to do so include Tom Dunham saying his old friend (me) was one of the sharpest people he knew (and he I and he was an IT worker) had noticed the sock puppets of both him and us where retarded, schizophrenic, and seemed interested to and likely to harm children.

The tweet Tom Dunham cited using my name was EDDONEGA at wells fargo, mine was EDDONEGAN. Wells Fargo is a National Bank I had senior Host Based Intrusion Detection (HIDS) team lead responsibly for and later as planned stared and ran the Network Intrusion Detection System (NIDS) for the data centers upon which 1.7 trillion dollars in US currency was accounted for and our banks interconnections to the Department of Treasury and Wire system was interconnected. The documents I wrote (and later had help with) were for the Office of the Comptroller of the Currency of the United States Secret Service who oversees the currency of the USA. My security expertise was partial, the totality of my networking and data processing expertise so extensive I was a good fit for the massive engineering task of creating the networks security structures and overseeing installations.

Tom Dunham's expertise though differing is as extensive.

A *casus belli* is an act or an event that either provokes or is used to justify a war. A casus belli involves direct offenses or threats against the nation declaring the war. -Wikipedia

FBI and assets and agents in collusion with them can and do use snitches and Agent Provocateurs to pick fight, harass, impede, annoy, and disturb or disrupt activities of *Targeted Individuals* like myself Edward Paul Donegan who is both writing books about the FBI, CIA, and DOD and alleging misconduct tied to MKULTRA and I have been subject to intensely abusive and provocative forms of attack and police harassment.

More than once I have been attacked by prison snitches and other police resources saying pedophile like me won't survive in custody yet I am not one. One or two teen shower cams in about 50 years is about it, and that is probably way under internet standards in what is out there in porn land. But a reputation of that can be used against me when the reputation is generated by a calculating government COINTELPRO government operation with a need to smear me.

I assert the topics I am writing about and deceased Jen Moore was writing about are such sensitive topics and tied to so many other acts of FBI and FBI and government official misconduct that the reasons I have been harassed, those responsible for the harassment, and the purpose of the harassment are transparent.

At a time a break in to my home office removed my PC and TV and DVD player researching my book Christopher Wray was on the cover as I asserts his family and Mueller's family and others were part of the pro British FBI based Cabal.

A collusion has been used of parties to link me as political smear to activities I am not a part of. Viewed as only that it fits a pattern of FBI COINTELPRO activities still used by long discredited, but I think the harassment of me is more deeply rooted and that is tied to my book on the OSS, CIA, and JFK assassination and those that gained and kept power since.

Corrupt law enforcement and non law enforcement counterparts were and are running a Via Executoria scheme, in fraudster terms, Pay Up Or Be Arrested.

As Elder Abuse somewhere a trust fund or blind conservator who openly states roles with the FBI and US Marshall is going along with paying for false claims against me as part of COINTELRPO, a strange mechanism of defamation, encouraging damaging allegations.

At the time of my mother's death Glorian Donegan her trust fund for me was corrupted into paying off allegations that undermined me, and in fact thusly undermined her (now as of April 27,2023) surviving child. I assert the dangerous conditions and I am living in street fighting knife wielding felons and with no home or safe storage of office equipment my likelihood of success in my expose diminish and that has been the plan, the plan to undermine my life and book writing because my book targets the FBI and CIA as did Jen Moore's works we ourselves are now targeted by police abuse.

The corrupt operation uses staged appearances and forged confessions of what I was doing in parks, libraries, rented apartments, etc., where it is staged I am part of exploiting minors, only caught when a dopple of me is shaken down by police who finally somewhere will catch up with him, chasing the wrong him, who will be said to be me and thus the forged confession of a confronted Edward Paul Donegan complete and good for social sabotage of Edward Paul Donegan in smear campaigns.

Evidence of this COINTELPRO operation is thorough and convincing.

A forger of confession claims to harm others (producing faked FBI records) and is even willing to pay off staged non victims who say they are victims in a police run protection racket that is said to protect areas and people from me after they wrongly assert any of them need protection or need restitution or protection services before I am ostracized.

VIA EXECUTORIA (LATIN, TERM OF ART, LAW)

executorial way

Non-judicial foreclosure under a power of sale clause in a mortgage; more broadly, any non-judicial remedy empowered under a contractual clause or some other instrument

PAY UP OR BE ARRESTED (GRIFT, FRAUD, RACKETS)

Cops approach a person and assert the person's guilt and upon the confrontation demand restitution to an alleged victim or an arrest will occur.

MONEY LAUNDERING (TERM OF ART, FINANCE)

To succeed in depleting or utilizing funds not yours a pretext is made to access the funds not yours. In this case a person claiming to be me approaches a conservancy of mine and says as me he has a debt to others that needs to be paid. It is that person's debt but made to look as though it is my indebtedness.

GRAND PARENT SCAM

In a extra twist, the call a person about to be arrested calls or is called for him is a grandparent. The Grandparent is told the Grandchild faces arrest unless the Grandparent pays out. In this case a Conservancy of mine is being used as the Grandparent, the Trust representing my deceased mother's interest in protecting me.

Records of the settled false allegations of me subvert home and office leasing, jobs, etc.,

As Brian Glick author of The War At Home the FBI often sends adult items to married couples to destroy marriages, plant evidence, in my case send local city people to pretend to be offering me sights of their children and act is if I am a willing person looking for such sights of exploited children.

Many have written about the FBI during J. Edgar Hoover and since and the illegal operations continue.

The first wrongful death I assert in a criminal enterprise operating is Jen Moore. She was found dead in hotel about to disclose the actual name of my mother and me and a long term history tied to OSS and CIA operations before, during, and after WWII, and how very elite names are tied to that history, those in the FBI, CIA,, and governmental positions today.

Today I am seeking justice for her Jen Moore a whistle-blower, Ted Gunderson who was a former FBI agent who worked for with and under JFK and RFK and was assigned to investigate their deaths by the LBJ Whitehouse and FBI, and whistle-blower also deceased, and myself, and many more to be named later.

Let us begin with reality before fiction though fiction is a simulation environment we can relate ideas to.

Jen Moore videos describing my family history and home in Virginia and she was correct as are the records she left.

Jen Moore left his and other content I reference by title. "*Interview on Nazi Germany, MK Ultra, child trafficking*" and "*OSS to CIA, black budgets, Operation Paperclip, & Hidden Identities* about the increasingly declassified history MK Ultra, Mind control, Pedophilia blackmail, secret societies, Jesuits" and is part of the story my family the Donegan family events that history is part of.

Lloyd Austin I am going to quote has traveled to Saudi Arabia and talked within the USA of the need to suppress Conspiracy Theories including those about Saudi Arabia and its royal family.

In process and in substance this should be alarming and even informative. As a matter of process no government official should ever seek to suppress investigations of conspiracy theories that name government officials, agencies, or governmental actions, and as substance the role of Saudi Arabia in events pertaining to US history and security are vital areas of debate and historical research.

Now to a short comparison with history.

Jen Moore knew of what I call MKULTRA Birther, that we have groomed sleeper agents for leaders and they and their Nazi rescue Free Mason ties don't want to be exposed as Infiltrators.

What I have Jen Moore (former Tracy California police officer and sexual assault case worker) have to tell you is that this set of FBI operations is a Gorky Park (film) type matter so let me remind you of Gorky Park.

> Gorky Park is a 1983 American mystery thriller film based on the book of the same name by Martin Cruz Smith. The film was directed by Michael Apted.
>
> While Lloyd Austin has promised the Saudi Royal Family he will suppress these US Patriot Groups and people like Jen Moore or Obama Dead Pool sites, this information is vital to the USA and must not be suppressed.
>
> > ***Extremism in the ranks***: Shaken by concerns of possible right-wing extremism among the troops, Austin on February 5 announced that every unit of the United States military; Active, Reserve, and Guard would be required to stand down within the next 60 days in order to conduct "sensitivity" training. The training would last at least one day and was focused around discussions including the importance of the oath of office; a description of impermissible behaviors; and procedures for reporting suspected, or actual, extremist behaviors.
> >
> > On FEBRUARY 19, 2021, Austin spoke to Saudi Crown Prince Mohammed bin Salman, saying that "We discussed the continued commitment to the 70-year US-Saudi security partnership, and I'm looking forward to working together to achieve regional security and stability." Austin expressed support for *Saudi Arabia* in the Iran-Saudi Arabia proxy conflict.

> The film stars William Hurt as Arkady Renko, Lee Marvin as Jack Osborne, Joanna Pacula as Irina Asanova, Rikki Fulton as Major Pribluda, Brian Dennehy as William Kirwill, Ian McDiarmid as Professor Andreev, Michael Elphick as Pasha and Ian Bannen as Prosecutor Iamskoy. The plot follows Renko, a Moscow police investigator, on the trail of a gruesome triple murder that leads him into a web of government corruption.
>
> Moscow militsiya officer Arkady Renko is called to the site of three dead bodies - two men and one woman - in a secluded clearing near the Gorky Park ice rink. All have been shot in the chest and their faces and finger tips removed; the two men were also shot in the mouth. Renko becomes anxious when the KGB refuses to take over the investigation. Renko traces the woman's skates to a movie set worker, Irina Asanova, who claims that they were stolen. Based on the forensics, the pathologist identifies one young man as a foreigner, likely an American. Renko asks Professor Levi Andreev to reconstruct the faces of the woman and the American man.
>
> At the dacha of Chief Prosecutor Iamskoy, Renko makes the acquaintance of American sable importer Jack Osborne, who is accompanied by Asanova. Renko also crosses paths with William Kirwill, a New York detective who is investigating the disappearance of his brother James.
>
> Renko eventually identifies the victims: James Kirwill and two friends of Asanova. He discovers that they were constructing a chest for Osborne. Renko's suspicion of Osborne mounts following several polite but tense conversations in social settings. When a KGB officer attempts to kill Asanova with an injected overdose, Renko saves her. Nursing her, they become involved romantically although she doesn't entirely trust him.

The story line of Gorky Park continues on from there and like with the Manchurian Candidate art sometimes mirrors life. Jen Moore was like Asanova, she was poised.

Here is the truthful story of Jen Moore.

> Investigative Journalist Jen Moore was found dead in a suburban Washington D.C. hotel room Monday. August 20, 2018, according to police and shocked and distraught friends and colleagues.
>
> Moore died of an apparent seizure. Police are closely investigating the cause of death after former FBI Agent Robyn Gritz, a friend of Moore’s, made inquiries with homicide detectives Monday afternoon in Prince Georges County, Maryland. Preliminary reports from police said the death was not the result of suicide.
>
> Moore’s body was found by employees at the Country Inn & Suites by Radisson, Washington, D.C. East - in Capitol Heights, Maryland. The investigation is ongoing. An autopsy had not been scheduled as of late Monday.
>
> Moore, an advocate who investigated abused and trafficked children, had been in the process of investigating allegations by a 26-year-old man that - as a young boy - he was sexually assaulted by Bill Clinton and pimped out at private sex parties attended by other D.C. elites.

I Edward Paul Donegan follow carefully what Jen Moore was talking about in her journalism. Sh pointed her camera videos still online on YouTube at the home of my mother and I 850 N. Randolph Arlington Virginia USA and told of the OSS CIA and Vatican history of the Donegan family and assumed identities and changed names since WWII.

My mother and father were a part of that. It ties into the Kennedy assassination where my family is from, Dorchester Boston area and Marshfield Massachusetts Roman Catholics, and Los Angeles where additional Kennedy family and Donegan family activities intersect.

My father was a pilot in the atomic bombing of Japan, the Korean War, and did recon work for the US Military and CIA and also was in Atomic Testing being exposed to radiation at the Las Vegas test site.

The Central Intelligence Agency has run MKULTRA, MIDNIGHT CLIMAX, COINTELPRO, and other programs for many years. It continues today.

I was not in San Francisco or even California when my old friend Tom Dunham sent that tweet. But I have been in Corpus Christi Texas, Austin Texas, and other locations where that same activity has been underway.

It is part of a system of harassment in which novel misconduct is staged in a area like vulnerable female minors are in a park, I am near the park, and a confession is forged by an impersonator of me I took pictures of the young girls at the park, and that information is used to smear me such that on excuses I am excluded from apartments, car buying, etc., and the community grows to fear me.

It is criminal harassment under color of law. Why very powerful FBI and CIA and government officials are using COINTELRPO is part of my story, and why my trust fund is paying out false claims I am harming others is another story to be told because they should defend me and my private trust fund for me and not allow those they find needy to sue me over bogus forged confessions that the double of me agrees to.

I have several legal needs. One is that any conservancy of me not agree to be shaken down by false claims and further that the smear campaign against me stop as well.

This has caused by eviction from housing, etc., and several wrongful deaths in recent years are tied to the illegal acts Jen Moore being one of them.

Introducing the 3 Kennedy Assassination sources

- **Col Fletcher Prouty** Wrote Guns of Dallas, VP Nixon Indonesia 1958, became basis of JFK movie by Oliver Stone and same book introduced by Jesse Ventura. Ed was in Donegan family as friends of Prouty but as child too young to understand it all.

> **Specific Contributions** Col Prouty wrote about Big Business and disputes between Nixon controlled Los Angeles Aerospace and LBJ controlled Texas Aerospace, and the Military Industrial Complex generally, regime change, and to over throw Indonesia and the entire world with a CIA Coup De Tat.
>
> Prouty was an insider to the Eisenhower-Nixon 1950s CIA overthrow plans and later in the JFK admin in the same role. His books most notably were JFK: THE CIA, VIETNAM, AND THE PLOT TO ASSASSINATE JOHN F. KENNEDY and the very similar book THE SECRET TEAM: THE CIA AND ITS ALLIES IN CONTROL OF THE UNITED STATES AND THE WORLD the latter being team of big business buddies tied of world commerce and CIA plans for that activity.
>
> He also wrote articles such as THE GUNS OF DALLAS published separately showing the CIA killed JFK and he also wrote INDONESIA 1958: NIXON, THE CIA, AND THE SECRET WAR showing from his own work the plan to overthrow Sukarno with Suharto and that plan underway in 1958 as Eisenhower signed off on it in 1957. This was one of the Secret Teams Secret Wars.
>
> Edward Paul Donegan and the Donegan family are also connected to this peice as was the birth of Barrack Obama Jr under CIA plans for Indonesia.

- **Ted Gunderson FBI picks up trail** The well placed well informed Ted Gunderson suspects an inside job of big businesses as Prouty said, and is correct but dies under FBI harassment.

> **Specific Contributions** Ted Gunderson was an insider to the Kennedy administration certainly to Robert F. Kennedy as an anti-mob anti rackets FBI agent and later investigator of the JFK

assassination. Likely he knew Dorothy Kilgallen and was a source for her. His works were on World Global Business of corruption, sex workers, Illuminati parties of Free Mason groups, drug dealing, etc., and how the NWO big business keeps troops loyal in corrupt Cabal. He considered these activities and form of organizations Satanic in their principles and practices many of whom use that in logos such as Roths Childs "devils children" for whatever sense they are their logos mean that.

Ted Gunderson realized some master plan for some reason included Marilyn Monroe, McMartin child abuse, Jeffery McDonald's family, Sunny Bono, and others.

https://youtu.be/GeUZE0Exd90?t=6225 Chip Tatum - Black Ops Interview with Ted Gunderson Rockefeller's Rothschild's buy their candidates into office, George H.W. Bush wanted a CIA kill of Ross Perot. Gene Chip Tatum IS former CIA, wrote several books include the CIA "Mule" Mueller. Edward Donegan and Deep State Analytics EACH separately confirm it, Ed by DuPont history connected to Gainey family, and by names used.

148 PAGE File w/ Exhibits INCLUDED read aloud by Penelopy from bad handwriting of a prisoner, Riconscuito. Liek Charles Harrelson stating he was part of team that killed JFK, Riconscuito's claims about CIA Deep State are rejected by FBI DOJ. Ted Gunderson worked as private detective for Risconsuito in the case.

- **Ed Donegan in combination with Jen Moore can complete the entire picture.**

The Donegan family OSS CIA history is where most recently the conspiracy included grooming CIA FBI projects for anti communism during the Cold War.

The CIA wanted moles and sleeper in deep cover from birth, now those big business families have moles and sleepers still in power still alive or as second generation civil servants serving in office in the 21st Century but from Cold War era families and sleepers. Ed Donegan asserts along with her the story of the Donegan's is being Silenced and obstructed because it is a danger to the elite who assassinated their way into power in the 20th Century, removing office holders, other government officials, and those who could compromise the secrets of what some call The Secret Team or the Cabal of the Military Industrial Complex CIA and its OSS roots.

Specific Contributions Behavioral Research familiar Jen Moore and Ed Donegan who are insiders to Donegan family history recognize FOXP2 Minimal Brain Disorder, Borderline Personality Disorder, problems with neuron-regulation. The Tavistock Institute, Dr Cameron, and Rockefeller Psychiatry have in interest in these genes and many powerful families carry and talk about them. VP David Rockefeller will talk about attention deficit like problems in school and let people know it something that can be overcome. The Donegan's carry this gene, Glorian Donegan and Edward Donegan, and that comes from Maria Kutchera who carried it and the Windsors who also carry it and research on it in early childhood.

- **Ed Donegan in combination with Marilyn Monroe can explain the psychiatry interest**

Joseph Kennedy Sr and Dean Rusk, Admiral Halsey, and others brought 1926 children likely born here, Norma Jen and Glorian Donegan and Julie Andrews. This book will feature a Austin PD officer sawed head off in Moscow. The police reports and evens are fabricated to smear and destroy in clearly abusive non-truths about me. In 2000 i asserted I was being assaulted by a JavaScript methodically running abusive fraudulent themes. It has never changed. In substance and processes the criminal intent has been to stop my writing, stop any allies form forming with me, and stop available resources needed to write my book. In Police Theory of me on the scales of justice I an a psychotic. I weigh myself as truthful and aware and a Patriot. I will never doubt anything about myself or feelings. My most sacred Constitutional and Human rights have been tread on by the most reprehensible but the gap between me an them is what fueled the attack. I am not sure Russia are the heroes but I am sure the con artists who have cost me the oppurtniieis of life with smear, falsi imiprsonment and decades of my life gone are the enemy. I am white as snow on that point and will die knowing (even if others do not) a gunshot killing police officers makes the public safe. McVEigh is my cellular structure, his light.

A fictional book as a speculative simulation between the Donegan's, Kennedy family, and others in Boston and how because of the Donegan factual history in that matter led to a Mockingbird pillory of me by the CIA, FBI, and others when my and other evidence on the JFK and RFK and other murders should not be retaliated against or conspired against by the very agencies this information should be useful to in those agencies and the US sovereign self-interest. In the fictional version RFK escapes assassination and we will learn of the underlying connection between Marilyn Monroe and Dysgraphic Albert Einstein.

TED L. GUNDERSON AN EDITED AND APPROVING BIOGRAPHICAL ANTHOLOGY OF HIS LIFE AND WORKS

Ted Gunderson was the right-hand man to RFK fighting the mafia that was run by Vice President Richard Nixon in the 1946 to 1960 years. As the Kennedy's gained power in the USA and world global dirty business operations subverted the USA and other nations. JFK and RFK attempted to shut down the CIA but it was too globally located to respond to the US Presidency and and held too much allegiance from British trained and supported Espionage in the USA operating as the US Government but through NGOs that again were difficult to control from inside the US Government. It would be comparable to NASA trying to control a long gone satellite past its available connections back to Earth.

MAJIC 12 AND THE SECRET GOVERNMENT BY WILLIAM COOPER INTRODUCTION BY EDWARD DONEGAN

With Ed Donegan provided Introduction and in-context commentary and de-anonymized cartoon space aliens as real people under Hidden Identities talked about in anonymized fictionalized ways for un-traceability of any real figures. William Cooper was tied to Free Mason families in his personal life and was part of that overlay of that in US Government activities and became an NWO whistle-blower. Ed Donegan shows the real people and real stories under the clouds of fictionalized obfuscations. Eisenhower GOP and Truman and NIXON worked with Free Masonry and likely formed the CIA as un understudy of MI5 and MI6 Jedah assassins and covert operatives with exchanges of espionage teams between the USA and Great Britain.
